

NOLITA

DRINKS MENU

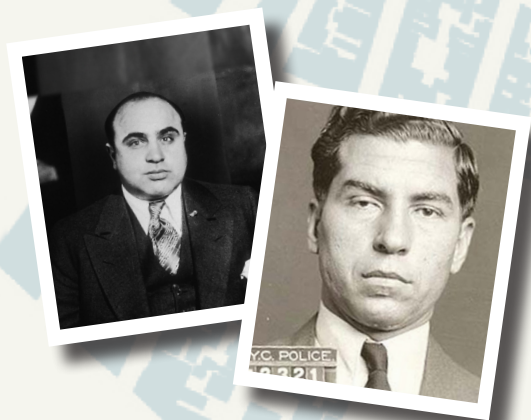

“Never let the past get in the way of the future.”

Charles Lucky Luciano

For more than 100 years, waves of Italians emigrated from their homeland to capitalise on their own version of the American dream. New York's Italian Americans settled into an area of lower Manhattan that became known as NoLiTa. The city's **Little Italy** became a densely packed, lively neighbourhood creating a haven for family, tradition, community, and celebration populated by thousands of new immigrants in dilapidated old tenements.

By the early 1920s, nearly 10,000 Italians lived in the neighbourhood where many of the residents controlled New York's bootlegging rackets to supply the town with illegal booze.

During this time **Little Italy** was home to some of America's most infamous historic gangsters like Lucky Luciano and Bugsy Siegal. Their neighbourhood was a place where mobsters wined and dined their mistresses through the secret speakeasy bars along Mulberry Street. NoLiTa was the place to be for New Yorkers looking to indulge in mischievous behaviour in the pursuit of good times.

COCKTAILS

€13.50
